

STICKS AND STONES MAY BREAK MY BONES, BUT WALKS WILL NEVER HURT ME!

A Club Challenge sponsored by the Turnaround Trekkers Volkssport Club

The Turnaround Trekkers Volkssport Club is sponsoring a club challenge called “Sticks and Stones”. To meet the challenge, you must walk 10 volkswalks relating to sticks and 10 relating to stones.

The sticks portion can be anything to do with wood – trees, forest, etc. Examples include but are not limited to the following: Ashland, Forest Grove, Manzanita, Hawthorn, Oaks Bottom and Cedar Mill Creek Falls (the last three are in Portland), and Sherwood in Oregon. Maple Valley, Oak Harbor, Evergreen State College (Olympia) and Cedar River (Renton) in Washington.

Stones include but are not limited to Haystack Rock (Cannon Beach), Gladstone, Rock Creek Trail (Hillsboro), Rockaway Beach, Tillamook Rock Lighthouse (Seaside) in Oregon, and Castle Rock, WA.

We'll bet you can find lots more we didn't think of!

These names can be the name of a city, a body of water, a park, a trail, etc., but, to make it more of a challenge, please don't use street names.

Here's how to participate:

1. **Write** the required information on the form. (**DO NOT** use the AVA stamp on the form)
2. Send the completed form, together with your name, address and \$5 to:

Turnaround Trekkers
Attn: Sticks & Stones
P. O. Box 222
Hammond, OR 97121

3. Please make checks payable to Turnaround Trekkers.

If you want a patch, but don't want to complete the required walks, the cost is \$10 (instead of \$5)

This form may be photocopied, or printed from our website: www.turnaroundtrekkers.org.
